NEW PROPERTY: BUILDING PROJECT

In July 2018, Rock Lake Christian Assembly purchased 15.2 acres of adjacent property to our north (outlined on image) and began to evaluate plans for a new building. As we celebrate our 100th year of ministry, we have the opportunity to lay a foundation for the next 100 years. We have begun a capital campaign to raise the necessary monies for the construction of a facility on this new property to accommodate growing camper numbers and increasing off-season programs. Our vision is for extra housing with a gymnasium and dining space. This will allow us to engage more students with the Gospel year-round.

Would you be a part of making this vision a reality? Will you make a decision to give toward the construction of this new building? We estimate a financial need of $1,800,000. In order to do this, we are looking for 1000 people who have been impacted by the ministry of RLCA to commit to $1/day for the next five years. Will you prayerfully consider what you can give to the construction of this new building? Contact the office for info.

RLCA WORK DAY: 5/11

Join us as we get ready for Summer 2019!
If you would like to help but cannot make it to this event, please contact our Facilities Manager Luke Essex at luke@rlca.org.
We are happy to host work groups throughout the year!
