This summer, you can expect the same quality programming that we have offered for over 100 years. There will be Biblical teachings, uplifting worship, and fellowship with other campers. There will be delicious food. There will be swimming. There will be faculty that love our Lord and are eager to serve at the camp. However due to COVID-19 and State Guidelines for Camp Operations, there will be some changes this year. Do not hesitate to reach out to us with any questions or concerns, 989-268-5377 or info@rlca.org. The RLCA Staff and Trustees thank you for your prayers and patience.

- Camp capacity will be at 50%. We encourage you to register asap and ask that you only register your child for one session. If your camp is full, please sign up on the waitlist.
- Five-night camps will now be four-night camps for this year. The extra day will provide the RLCA Staff ample time to deep clean and sanitize between sessions. These camps will begin at 3pm Sunday, as in previous years, and end at 7pm Thursday instead of 7pm Friday. We look forward to returning to our 5-night model in 2022. Shorter camps will remain the same.
- Campers will be placed in groups of ten (eight campers and two faculty). Groups will be based on housing assignments, for example, White Pine Pods A & B will form Group 1. These assignments will be made by the Camp Office. Your camper may request to be in a group with one friend of the same gender. So long as the friend has requested your camper as well, the Office will strive to honor the request. Groups of ten will not cross paths.
- To mitigate COVID-19 risks, Rock Lake will operate as a closed campus this year. Visitors will not be permitted. Likewise, campers will not be permitted to leave RLCA (appointments, games, etc.) and then return. At check-in and check-out, parents will stay in their vehicles; RLCA Faculty will help your child unload and set up their assigned bunk.
- We recommend that children with an increased risk or underlying medical conditions, such as respiratory problems, do not attend camp this year.
- Masks will be required at all times except when sleeping, eating, swimming, during high intensity activities, or when outside socially distanced from others. Face shields are not a replacement for cloth face coverings.
