Rock Lake Christian Assembly Management Team Mission Statement

It is the desire of the Rock Lake Christian Assembly Board of Trustees that the Camp Director, Facilities Manager, Business Manager, Food Service Manager, Office Manager, and all part-time and seasonal employees be part of a team that will share knowledge, experiences, ideas, and the love of Christ with each other.

While each person has their own individual responsibilities, everyone must be a part of one big team, concerned with the overall picture of how their actions reflect on the ministry of Rock Lake Christian Assembly.

The Staff of Rock Lake Christian Assembly commits itself to:

1. Being dedicated to performing his / her job with enthusiasm and professionalism, regardless of unexpected complications.
2. Being receptive of new and innovative ideas and technology, looking for ways to make them work better.
3. Doing everything within reason to satisfy our constituents.
4. Practicing safety in the workplace.
5. Representing the camp well in the community.
6. Showing pride in themselves and RLCA by doing their best at all times.
7. Striving to present all information in a timely, accurate, factual, and consistent manner, and in turn, inspiring our supporters' confidence in our staff and our ministry by exceeding their expectations.
8. Striving to produce quality communication that is credible, informative and timely.
9. Treating others, whether co-workers or guests, with fairness, dignity, and respect.
10. Working with the Trustees for improvement in personal skills toward our mission statement, having RLCA's best interest in mind and heart.

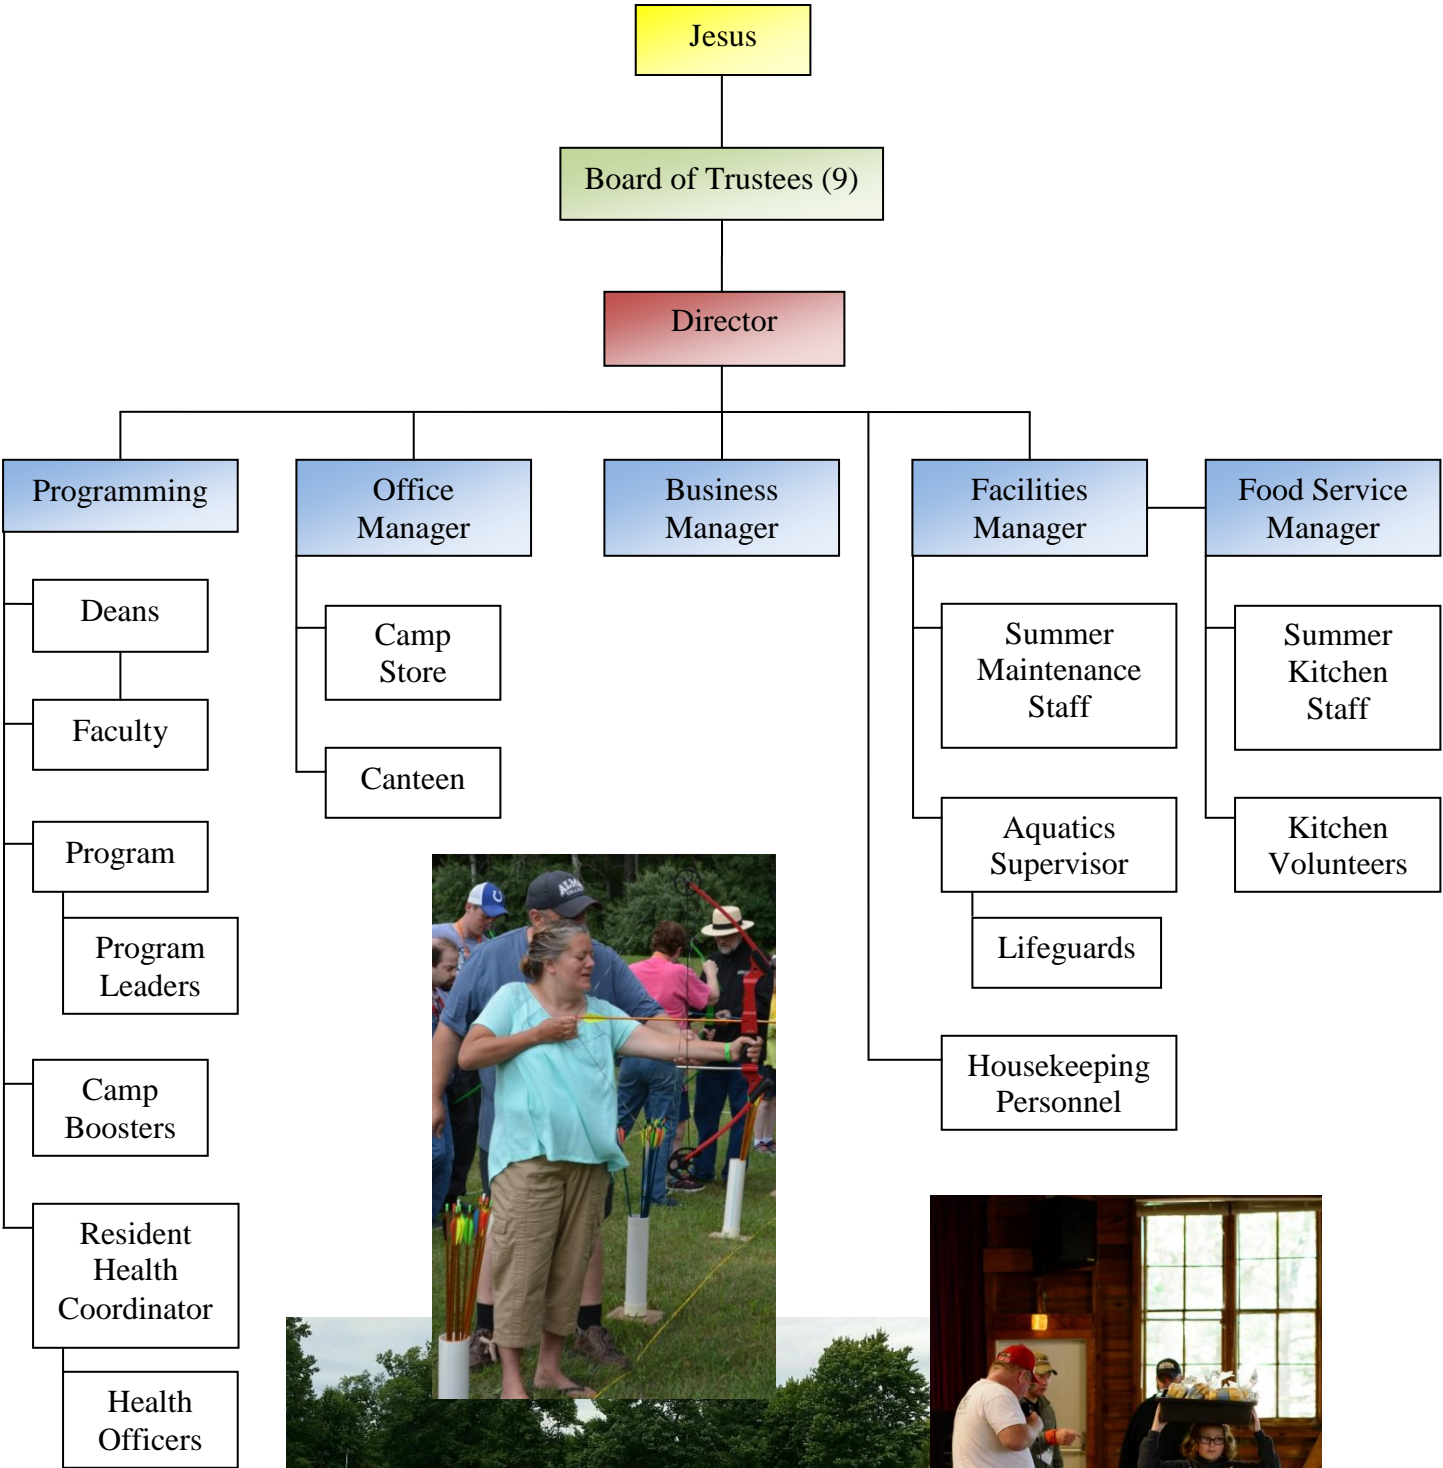

SERVANTHOOD, THE ATTITUDE THAT MOTIVATES US

"You know that in this world kings are tyrants, and officials lord it over the people beneath them. But among you it should be quite different. Whoever wants to be a leader among you must be your servant, and whoever wants to be first must be the slave of all. For even, I, the Son of Man, came here not to be served, but to serve others, and to give my life as a ransom for many."

Jesus, Mark 10:42-45

SPECIAL PRESENTATION

The trustees presented a special award to Rich and Kathy Maxwell to thank them for the work that they did this summer as Interim Director. They were presented with a photo book of the 2016 summer sessions and a restaurant gift certificate. The trustees truly appreciate all that Rich and Kathy did for RLCA in 2016.

DIRECTOR'S REPORT

Presented by Tim St. Louis.

Tim was introduced as the new director of RLCA as he was hired on September 1, 2016. Tim stated that one of his goals for this next year is to attend more supporting churches to promote RLCA. Tim discussed the new on-line giving program RLCA is rolling out called E-zekiel giving. Supporters will now be able to give on line and have an app on their cell phone linked right to the giving website so it will be easier to donate by debit or credit card.

FACILITIES MANAGER'S REPORT

Presented by Tim St. Louis.

Tim discussed the building and grounds needs. A licensed building inspector was hired to inspect some of the older buildings to see what the needs are. Kimberling Hall (Hotel) needs to be renovated in the near future. We may be looking at taking down some buildings that don't have a firm foundation including Birch Cottage and Rush Cottage. Hazel Williams is working on preserving the historical items that were in the Rush Cottage.

OLD BUSINESS

The Trustees were introduced.

Hazel Williams gave a Property Development Committee Report and challenged everyone to volunteer in some way at the camp in the next year. See report on page 16 of the 2016 Annual Report.

Chris Clarke gave a Personnel Committee report and reported that 2016 was a challenging year because one director resigned in April, an interim director was appointed for the summer, and a new director was hired in September. God is great as he blessed RLCA immensely during this process. See report on page 16 of the 2016 Annual Report.

NEW BUSINESS

Tim St. Louis introduced Luke Essex as the new Facilities Manager. Luke has officially stepped down from his position as trustee.

Volunteer recognition: Henry and Lois Hawver were presented with the Volunteers of the Year award for 2016. Henry was integral in helping out the camp during the Summer of 2016, not only did he take on the role of onsite advisor, he also volunteered in mowing the lawn, driving for canoe trips, and praying for the camp. Lois volunteered as the Master Gardner on site and kept the grounds looking beautiful, as well as helping out with health officer duties.

Food Service Manager's Report

So we survived another summer here at RLCA. Actually, to be fair, we didn't just survive. We totally rocked this summer! I am blessed to serve with people who are quickly becoming some of my closest and dearest friends. I truly couldn't ask for a better work environment. It's incredible to look back and see how God has moved and shaped events to bring us all to this time and place. It is clear and humbling; God is working and moving in this ministry.

One of the ways God is working to strengthen and grow this ministry is through our faithful supporters. I saw so many examples of this in the kitchen throughout the summer. For instance, I had over 25 volunteers from different area churches help me in the kitchen this year. Five of our churches committed to send groups of helpers every week throughout the summer. And I relied heavily on them to help make everything run smoothly in the kitchen. I know this season would not have been as successful for my kitchen and the food we serve without those people who were so willing to sacrifice their time and comfort.

Another example of how our supporters helped the kitchen succeed this year is with food donations. Our Pack the Pantry campaign in the spring brought in DOUBLE the amount of food items than the previous year. The churches really stepped up and worked to fill our pantry and it saved us a considerable amount of money in our food budget. My gratitude cannot be overstated. What I do in the kitchen here at RLCA would be severely limited if it wasn't for the help and support of people like you.

I enjoyed the summer with an incredible team of kitchen staff. Working in the kitchen here at Rock Lake is far from a glamorous job. But my team understands that working behind the scenes is just as important as being on the front line. All three of "my girls", as I like to call them, came back for another summer. Rachel Dobyns, Camryn Packer, and Anna Dobyns are all rock stars in the kitchen. They know their jobs well and it's a relief to know I can depend on them. I was also able to welcome Rebekah McCausey into the kitchen this year as a part-time helper. She did a great job and made supper prep a lot easier. I'm always trying new things in the kitchen, new recipes, new ways to make something from scratch, and that requires a lot of flexibility in my staff. They get asked to do lots of things outside of their comfort zones. But I'm happy to say not only did they survive but they were all incredible at their jobs this summer. They were truly a joy to work with.

"So, whether you eat or drink, or whatever you do, do everything for the glory of God."

Personnel Committee's Report

Chair: Rick Lippert

Members: Chris Clarke, Jane Gordon, Nancy Snider, Jeff Strickler

The Personnel Committee in 2017 reaped the benefits of God's wisdom and foresight in staff and seasonal employees from last year's decisions, as we've experienced smooth transition and virtually no turn over in personnel in 2017. The mood has been nothing short of positive in this first full year of new camp leadership, as we thank God daily for His guidance when times were not so smooth.

Business this year was the usual renewal of contracts. Also, in August, our Business Manager, Pam Saunders, resigned from that position to accept a full time position elsewhere. We so much appreciate Pam's hard work and devotion to the camp throughout her time with us here. She will be sorely missed. We are also happy to report that we were able to fill the vacancy of Business Manager with the hiring of Amy Essex, wife of our Facilities Manager, Luke Essex.

God has blessed us with many good and talented people, and He has allowed us to keep them! God is so good!

Property Development Committee's Report

Chair: Luke Essex

Members: Lyle Essex, Rick Lippert, Heather McDonald, Mari Robinson, Tim St. Louis, Kevin Thatcher, Hazel Williams

This year we were able to put a much needed metal roof on Hare Cottage. We also deconstructed the deteriorating Birch Cottage. Many will remember this building being utilized as the nurse's cottage and staff housing. Birch had suffered from extensive rot to the floor joists due the lack of a quality foundation. The framing and sheeting from Birch were able to be re-purposed and used for various projects.

The rear drive behind White Pine has been paved. This will improve the approach from the rear of the building making the buildings more handicap accessible, as well as limiting the amount of mud and dirt entering the buildings. New windows have been purchased for Bell Cottage and Dickenson II. These will be installed as soon as possible. Another project that we are saving for is the updating of Kimberling Hall (Hotel). We are still working on details and finalizing quotes to see what our budget is.

Multiple properties have been presented as possible purchases for the Assembly this year. Adjacent property in the grove southwest of the Tabernacle has been for sale and, due to its proximity to our campers, it has been considered. However, due to its current cost, we do not think it is in the best interest of the Assembly to purchase it at this time. There is also property under consideration to the north of our lodges and the Archery Range. This property could aid in the future development of RLCA, including expanding our wilderness area and any future building needs.

We have discussed the possibilities of adding a multi-purpose building with more lodging. With the possibility of more schools going to a balanced calendar (year-round), there will need to be more programs running simultaneously. Also, as we see our "off season" use increasing, we are maxing out our lodges on multiple occasions - groups are using both lodges and we just do not have the general meeting space for such large groups.

As we work on developing the Assembly, it is our goal to upgrade our current facilities, while progressing with our future development needs.

We have had another feverish summer of programming in 2017! As we look back, God has really blessed the ministry and the programs that we have for these students. This camp season, we added a second Handi Camp that was deaned by Henry and Lois Hawver. This resulted from having such an abundance of students wanting to take part in these programs that we offer. With rather short notice, Henry and Lois were able to pull together a great camp that was near capacity for the event.

Our Scholarship Fund Memorial Weekend program resulted in a great time of fellowship and fundraising. We were able to reach out to businesses in the community who helped to support and contribute to this event. God blessed our efforts and your generous gifts so that we were able to provide 105 students scholarships totaling \$17,141.25. Additionally, of the 105 students who benefited from your generosity, 26 students were able to take part in the programming at Rock Lake for the first time.

Rock the Lake reemerged in 2017, hosting four tremendously talented bands; 2nd Mile, Jetty Rae, The Matt Moore Band, and Alive City. This was put on as a promotional event to reach people outside our typical constituents. The program went smoothly and we look forward to bringing this back in 2018.

Labor Day Weekend was a powerful wrap-up to our 2017 season. Dr. John Nugent joined us to speak on his new book, "Endangered Gospel". We were able to spend time relaxing and fellowshiping with people throughout the weekend - building and strengthening relationships whilst being challenged by some exceptional teaching.

God is working through the many humble servants who give of their time to instruct, empower, and serve these students. The Biblical instruction that takes place here continues to pave a path for changed lives. We look forward to what God has in store for programming in 2018!
